

CAYUGA[®]
COLLECTION
SUSTAINABLE LUXURY HOTELS AND LODGES

Our guests will experience the region's abundant wildlife while exploring on guided rainforest hikes. They'll learn about local traditions and tropical ecosystems, and connect with our staff as well as the local community while engaging in conservation activities or even playing soccer. Come relax on a pristine beach, be pampered at the lodge's spa, or take surf and yoga lessons from qualified instructors.

Everything we do reflects our passion for outstanding quality and service, embodying our philosophy that contemporary luxury is about unique and authentic lifestyle experiences.

Get Involved

Equilibrium engages rural schools and communities in projects that advance sustainable ways of living with our planet. To do this, it builds upon primary education by providing infrastructure, technology, libraries and supplies that foster environmental education. It is a 501c3 non-profit organization, operating in Costa Rica and Nicaragua.
